DECLARATION OF INVENTORSHIP

SIR:

I, the below-signed, declare and state as follows:

1. I am a joint inventor of the subject matter disclosed and claimed in the above-identified application.

2. I am, along with inventors, Boving, Blanford and Klingel, a co-author of an Article entitled, "Cyclodextrin-Enhanced Vertical Flushing of a Trichloroethene Contaminated Aquifer" in Ground Water Monitoring and Remediation 21:58-66 (hereinafter Article).

3. Two of the co-authors of the Article, namely, Barackman and Johnson, are not joint inventors in the subject matter disclosed in the Article and disclosed and claimed in the above-identified application.

4. Co-authors Barackman and Johnson were working under

my direction.

5. All statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 USC 1001 and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

DECLARATION

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

S i r:

I, Mark Brusseau, declare and state as follows:

1. I am a joint inventor of the subject matter disclosed and claimed in the above-identified application.

2. I am, along with inventors, Boving, Blanford and Klingel, a co-author of an article entitled, "Cyclodextrin-Enhanced Vertical Flushing of a Trichloroethane Contaminated Aquifier" in Ground Water Monitoring and Remediation 21"58-66 (hereinafter Article).
3. Two of the co-authors of the Article, namely, Barackman and Johnson, are not joint inventors in the subject matter disclosed in the Article and disclosed and claimed in the above-identified application.
4. Co-authors Barackman and Johnson were working under my direction.
5. Two of the inventors, namely, John McCray and Xiaojiang Wang, are inventors but did not participate in the Article, albeit they participated in the invention and are thus named as inventors.

6. It is declared by undersigned that all statements made herein of undersigned's own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under section 18 U.S. Code 1001, and that such willful false statements may jeopardize the validity of this Application or any patent issuing thereon.
